

# Private and Semi Private Swim Lessons Registration Form

Jackson YMCA

## GENERAL INFORMATION

Besides group lessons, the Jackson YMCA offers **Private Swim Lessons** to help participants start swimming at their desired level. Our certified, patient and knowledgeable Y swim instructors offer 30-minute private swim lessons for ages 3 years and up. We will contact you within seven (7) business days after you have submitted this form to talk about a lesson structure that will fit your needs. Please note that lessons take place during normal pool hours so students will not be in the pool alone. Below is a list of the lesson packages and available times that you can choose from. We will do our best to accommodate your schedule.
